

# Examples of Trust Registrations

It is preferred that the employer identification number (EIN) for the trust be used in the registration of the bond. If there is no EIN, the social security number (SSN) of the grantor of the trust or the decedent may be used.

*It is not necessary for the trust instrument to be submitted to support the **original** issuance of Series EE or I bonds. It is important that bonds have a registration that conforms to regulations. However, the responsibility for the accuracy of the information provided rests with the purchaser.*
